

## LIGHTER LUNCHES @ FORTY TWO

The team and I put together this menu for our clientele who were looking for a lighter or a simpler option for lunch, who join us whilst on a lunch break, a informal business lunch, in town shopping, between appointments or just a spontaneous last minute catch up with colleagues, family and friends.

The fresh in starters on our exciting new wall menu, such as langoustines, mussels, crab, scallops and oysters are also ideal as small plates, sharing with the table or simply relaxing with your thoughts, watching the town from our Cook's Corner window with a glass of wine, house baked soda bread and the finest of local fresh seafood.
